About the Institute: This Institute was established in the year 1963 by Dr. V. Narayanaswamy, President of IMPCOPS, Chennai in the memory of his mentor Vaidya Ratna Captain G. Srinivasa Murthy. He was among one of the pioneers who worked for rejuvenation of Indian Traditional Medicine and was a staunch proponent of Ayurveda. This Institute was started with a vision to explore traditional medicines using scientific evidences and phytochemical study of medicinal plants was adopted as the first mandate. Later this institute was annexed by Central Council for Research in Indian Medicine and Homeopathy. Later this institute was annexed by Central Council for Research in Indian Medicine and Homeopathy. Then in the year of 1979, the Institute became a part of Central Council for Research in Ayurvedic Sciences (formerly Central Council for Research in Ayurveda and Siddha). Since then, the Institute has diversified its research activities with the mandates such as Drug Standardization, Pharmacognosy, Medico ethnobotanical Survey and Pharmacology.

This Institute is extended with license as Drug Testing Laboratory (DTL) for testing of Ayush products by the Drug Controller of Tamil Nadu (Indian System of Medicine). This is the first Institute under the Ministry of Ayush accredited with ISO/IEC 17025 by National Accreditation Board for Testing and Calibration Laboratories (NABL), under Quality Council of India, M/o Commerce and Industry, Govt. of India. CSMCARI houses various departments like Pharmacy, Chemistry, Botany, Pharmacognosy, Pharmacology, Biochemistry Microbiology and Library. The animal house facility is approved by the Committee for Control and Supervision of Experiments on Animals (CCSEA), M/o Fisheries, Animal Husbandry and Dairying, Govt. of India, to conduct animal studies. The laboratories are well-equipped with sophisticated instruments to carry out scientific studies. Besides this, Institute is a recognized Ph.D. center by University of Madras and have more than 40 Ph.D. degrees, 500 Research articles published in National and International journals and about 200 scientific papers presented in Seminars/ Conference/Symposia. The monographs prepared by the Institute were published in the ‘Ayurvedic Pharmacopeia of India’ and ‘Quality Standards for Indian Medicinal Plants’ by ICMR.

**6-DAY CME PROGRAMME**
