About Ayurvediya Prasarak Mandal

- Ayurvediya Prasarak Mandal's Ayurved Mahavidyalaya, Sion, Mumbai – established in 1954, is India's one of the most reputed Ayurvedic teaching and research institutions.
- It offers Undergraduate (BAMS), Postgraduate (MD/MS Ayurved) and Ph.D. programs, making valuable contributions to Ayurvedic education, research and healthcare practice.
- Seth R. V. Ayurvedic Charitable Hospital provides healthcare services at affordable rates, benefitting thousands of patients annually, especially from economically weaker sections.
- The institution continues to uphold its mission of promoting holistic health through Ayurvedic wisdom integrated with modern scientific approaches.

About the Conference

- AGNIBODH – National Conference on Digestive Health through Ayurveda provides a national platform for students, academicians, researchers and clinicians to discuss and deliberate upon digestive health challenges and their Ayurvedic management.
- Conference emphasizes on Ayurvedic concepts of Agni and Annavaha Srotas and their role in maintaining health and managing diseases.
- The sessions aim to bridge traditional knowledge with modern scientific perspectives for knowledge enrichment.

Concept of "AGNIBODH"

- In Ayurvedic science, Agni represents the fundamental biological force responsible for digestion and metabolism.
- The term "Agnibodh" signifies an enlightened understanding of this digestive and metabolic principle emphasizing its role in sustaining health, preventing disease and promoting longevity.

Conference "Highlights"

- Keynote lectures by eminent Ayurvedic experts
- Paper and poster presentations by students and researchers
- Exhibition and product showcase
