Signature:

Applications are invited from eligible candidates for appointment on a contract basis to the position of **Research Associate** in the project "**Systematic documentation of traditional medicinal plant knowledge of indigenous communities in Kerala**" funded by the SciGenom Research Foundation.

Details of the Position

- **Name of the Post:**

Research Associate

- **Location:**

1 year (extendable for one additional year based on performance)

- **Fellowship:**

₹40,000 per month (Consolidated)

- **Essential Qualification:**

*Ph.D. in Botany with specialization in Ethnobotany or MD in Dravya Guna.

- **Desirable Qualification:**

- Experience in conducting field surveys and documentation.
- Ability to identify medicinal plants

- **Age Limit:**

40 years

Roles and Responsibilities

The selected candidate will be required to:

- Conduct extensive field surveys in designated study areas.
- Collect, record, and curate ethnobotanical data from field sites.
- Identify medicinal and other useful plant species with accuracy.
- Interact with local communities and document traditional knowledge related to plant use.
- Assist in preparing reports, scientific manuscripts, and presentations.
- Maintain field notes, sample data, and project-related documentation systematically.
- Support other research activities as assigned by the project investigator.

How to apply

Interested candidates should submit their application in the prescribed format along with their CV to sic@hmbgri.org

The last date for receiving applications is **31.12.2025**.

*Candidates who have submitted their Ph.D. thesis and are awaiting the results may also apply.
