3-DAY WORKSHOP ON

DECISION FRAMEWORKS IN RASASHASTRA

INTEGRATING TRADITIONAL WISDOM WITH MODERN DECISION SCIENCE

Explore modern decision-making methodologies and their applications in Rasashastra for standardization, safety, quality and research excellence.

12TH – 14TH JUNE 2026

10:00 AM onwards

Board Room, Research and Innovation Park,
IIT Delhi Campus, Hauz Khas,
Delhi – 110016

ABOUT THE WORKSHOP

This workshop introduces participants to advanced decision frameworks such as AHP, Fuzzy AHP, TOPSIS and Fuzzy TOPSIS and their applications in Rasashastra. It aims to build capacity for systematic decision-making in areas such as raw material evaluation, process selection, standardization, safety assessment and research analytics.

KEY HIGHLIGHTS

- ✓ Expert lectures by eminent speakers from Ayurveda and Decision Science
- ✓ Hands-on training in AHP, Fuzzy AHP, TOPSIS and Fuzzy TOPSIS
- ✓ Real-world cases in Rasashastra
- ✓ Interactive sessions and group activities
- ✓ Participation in structured decision-framework study (Fuzzy AHP–TOPSIS)
- ✓ Certificate of participation (hard copy) will be provided
- ✓ Refreshments and lunch will be provided
