WELCOME MESSAGE

Namaste and a very warm welcome to **SAUSHRUTAM 2026**, the 1st International & 4th National Seminar on Shalya Tantra, organized by the Department of Shalya Tantra, All India Institute of Ayurveda, New Delhi.

The All India Institute of Ayurveda (AIIA), an apex institute under the Ministry of AYUSH, stands as a beacon of excellence in Ayurvedic education, research, and patient care. With its state-of-the-art infrastructure, AIIA provides an ideal platform for hosting national-level conferences aimed at empowering young Ayurveda surgeons across diverse surgical disciplines. Each year, the Department of Shalya Tantra commemorates Acharya Sushruta Jayanti by organizing National Seminar on Shalya Tantra. This year conducting 1st International & 4th National Seminar on Shalya Tantra.

With a theme centered on innovation, integration, and inspiration, **SAUSHRUTAM 2026** promises to be a vibrant confluence of knowledge, experience, and progressive thought. Eminent scholars, surgeons, researchers, and academicians from across the country and abroad will come together to share insights, clinical advancements, and emerging trends shaping the future of Ayurvedic surgical practice.

We invite you to immerse yourself in three days of enriching scientific sessions, cultural exchange, and collaborative networking — all set in the historic and scholarly ambiance of New Delhi.

Let us come together to honor our traditions, embrace scientific advancements, and pave the way for a healthier tomorrow

Welcome to **SAUSHRUTAM 2026** — Empowering Young Ayurveda Surgeons by Revitalizing Sushruta's Concept

With warm regards,
Organizing Committee

ALL INDIA INSTITUTE OF AYURVEDA (AIIA)

The All India Institute of Ayurveda (AIIA) is a NAAC A++ and NABH-accredited autonomous institute under the Ministry of AYUSH, Government of India. It was established in 2010 and dedicated to the nation by the Hon'ble Prime Minister of India, Shri Narendra Modi, on 17 October 2017. AIIA embodies the Government's vision of integrating India's ancient Ayurvedic wisdom with modern scientific advancements, and is uniquely positioned to deliver excellence across three core pillars: tertiary healthcare, research, and academic training. The institute offers postgraduate and post-doctoral programmes across 12 specialties in Ayurveda, alongside robust clinical services through 30 specialized OPDs covering areas such as Surgical, Musculoskeletal disorders, Metabolic, oncology, and nephrology etc. Beyond healthcare, AIIA conducts interdisciplinary research through its Division of Translational Research and has published more than 2,500 scientific papers. The institute serves as the nodal coordinating centre for streamlining Pharmacovigilance activities pertaining to Ayurveda, Siddha, Unani, and Homoeopathy drugs, with 105 centres functioning under the programme across the country. Furthermore, AIIA has emerged as a global hub for collaboration, with 97 Memoranda of Understanding (MoUs) comprising 20 international and 77 national partnerships aimed to fostering interdisciplinary research, capacity building, documentation, validation, and the global propagation of Ayurveda.

DEPARTMENT OF SHALYA TANTRA

The Department of Shalya Tantra, All India Institute of Ayurveda (AIIA), New Delhi, stands as a premier tertiary centre for Ayurveda Surgery in the country, embodying the ancient surgical wisdom of Acharya Sushruta (the father of surgery) and translating it into contemporary clinical excellence. The department has established itself as a nationally recognized institution of surgical learning and patient care, consistently attracting top-ranking postgraduate and doctoral scholars. The core objectives of the dept. is to advance the science and practice of Ayurveda surgery by seamlessly integrating classical surgical principles with modern diagnostic tools, minimally invasive techniques, and evidence-based clinical protocols, thereby broadening the scope and credibility of Ayurveda in the mainstream surgical landscape.

The department boasts a team of highly qualified faculty and distinguished professors dedicated to delivering exceptional patient care. Their expertise encompasses a wide range of surgical and para-surgical procedures, including Ksharkarma, Agnikarma, and Raktamokshana, all provided at a tertiary care level.

Currently, the department operates three specialized clinical OPDs:

Samanya Shalya OPD – General Surgery

Guda Roga OPD – Ano-Rectal Diseases

Asthi-Sandhi-Marma Roga OPD – Integrated Orthopaedics and Sports Injury.

Shalya Samanya OPD

Guda Roga OPD
