ABOUT THE INSTITUTE

Central Ayurveda Research Institute, Jhansi (CARI, Jhansi) is situated in the Bundelkhand area of Uttar Pradesh, formerly known as National Vaidya Ayurved Research Institute (NVAR), Jhansi established in the year 1973. The institute is equipped with highly sophisticated instruments for R&D related to QC analysis of ASU drugs and has been awarded NABL accreditation for QC laboratories. The institute's pharmacy is GMP-certified, QMS/ISO-9001-2015 certified and holds FSSAI license. The institute conducts Ayurvedic pharmaceutical research, drug development, and cultivation of medicinal plants. It also maintains herbalium/drug repositories and provides ASU drug analysis and authentication services.

HIGHLIGHTS OF THE WORKSHOP

- Classical Principles and Standardization of Rasaushadhies.
- SOP development for Rasaushadhi.
- Integration of Modern Analytical Techniques with Traditional Knowledge.
- Quality Control Aspects of Rasaushadhies with their standardization techniques.
