1. An initiative by the **Ministry of Ayush**.
2. Aims to promote **Quality, Standardization, and Credibility** in short-term Ayurveda training programs in India and abroad.
3. Focuses on enhancing the overall standards of Ayurveda education.
4. ATAB accredits short-term Ayurveda courses not covered under the NCISM Act, 2020 (earlier IMCC Act, 1970).
5. Supports institutions in demonstrating excellence and accountability in Ayurveda education.
6. Encourages continuous quality improvement in Ayurveda training programs.

Salient Features:

- Understand the importance of quality and standardization in Ayurveda education.
- Learn about ATAB standards and the accreditation process.
- Know the prerequisites for getting Ayurveda courses accredited.
- Interact with Ayurveda training providers across India.
- Build trust and credibility through recognized accreditation.
- Receive a Certificate of Participation.
